Post Specific Service: About Tusla's Quality Assurance & Regulation Directorate

Tusla's Quality Assurance Directorate is concerned with promoting continuous improvement and effective risk management in services for children and families. It delivers its functions through the following functions:

Children's Services Regulation:

Early Years' Inspectorate: The Early Years' Inspectorate is the independent statutory regulator of Early Years' Services and is responsible for registering and inspecting pre-schools, playgroups, crèches, day care, school age care and similar services. Its role is to promote the quality, safety and appropriate care of children by robust regulation of the sector.

Alternative Education Assessment: Children who are educated at home or who attend a non-recognised school (i.e. a school that is not funded by the Department of Educational and Skills) must be registered with Tusla by their parents/guardians. The registration process requires that an assessment or assessments be carried out to determine whether the child is receiving a certain minimum education and therefore can be placed on the statutory register of children educated outside of a recognised school. Children who are educated in an independent school setting can also be placed on the register where it is determined that the school is providing a minimum education to the pupils who are enrolled there.

Alternative Care Regulation: The team monitors and reports on alternative care settings for children who cannot live with their families. The service is responsible currently for the registration and inspection of non-statutory residential care settings for young people, as well as the monitoring and audit of non-statutory foster care providers.

Child Safeguarding Statement Compliance Unit (CSSCU)

The CSSCU has a national centralised function for the receipt and processing of referrals and notifications of failure to furnish Tusla with a copy of a relevant agency's safeguarding statement made under Article 12(1) of the Children First Act 2015. The office is also responsible for appropriately supporting relevant agencies to achieve compliance under section 12 (1) – (5) of the legislation.

Regulatory Practice Development

There are five distinct functions which are; management and analysis of data and business process design and re-design, implementation and maintenance of the Quality Management system across Children's Services Regulation, co-ordination and delivery of Learning and Development, provision of expert advice and guidance on matters relating to children attending early years services and management of Children's Services Regulation communications which includes the website and the publication of inspection reports.

There may be a number of stages of selection and short-listing or a ranking exercise may take place. Applicants who meet the eligibility criteria may be shortlisted for interview based on information supplied in the application form at the closing date or in other specified assessment process. Criteria for short listing are based on the requirements of the post as outlined in the post specific requirements, duties, skills, competencies and/or knowledge sections of the job specification and the information supplied in the competency based application form or eligibility questions, whichever is used. An expert panel will examine the application forms against a predetermined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience on the application form.

- Any applicant who did not meet the eligibility criteria/ was not shortlisted will be

informed of that decision and the reason why.

- Any candidate invited to interview will be given more details regarding the interview or other additional assessment stages at a later date.

Please note that, given the volume of applications, Tusla Recruit is not in a position to consider or offer advice on the qualifications/eligibility of individuals unless they come under consideration. The onus is on the candidate to ensure they fulfil the eligibility requirements set out above.
