2. How do I apply for this post?

You must complete the Tusla Recruit online application particular to this post. All posts are posted on the following links:

- Please ensure that you have completed your Tusla Recruit Profile in full and you are happy that the information you have provided is accurate.
- As we require the same information from all candidates in order to make fair decisions on their applications we will not be able to process applications by any method other than that of the Tusla Recruit online application process.
- Tusla Recruit can only accept complete applications received by the closing date and time specified on the Job Specification.
- You are required to answer **all questions** asked of you on the application form and provide specific dates and details as requested. If you omit information pertinent to your eligibility in the questions asked it may result in your application being deemed ineligible and subsequently not called forward to interview. Information must be clear and outlined in format requested. The onus is on the candidate to provide all information requested in format required on the on-line application form.

3. How will the selection process be run?

- You must complete the official application form in full on line. If you do not complete the application form in full your application may not be submitted to the selection board for consideration and subsequent interview (if applicable).
- A selection panel of senior managers will assess your application form against the eligibility criteria to see how your experience and skills match the needs of the post. The criteria for the selection exercise are based on the requirements of the post as outlined in the job specification. Therefore it is very important that you think about your experience in light of those requirements and provide the detail requested.

There may be a number of stages of selection and short-listing or a ranking exercise may take place. Applicants who meet the eligibility criteria may be shortlisted for interview based on information supplied in the application form at the closing date or in other specified assessment process. Criteria for short listing are based on the requirements of the post as outlined in the post specific requirements, duties, skills, competencies and/or knowledge sections of the job specification and the information supplied in the competency based application form or eligibility questions, whichever is used. It is therefore very important that you think about your experience in light of those requirements and that you provide a detailed and accurate account of your qualifications and experience in your application. Please provide dates and details as requested.

While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, Tusla Recruit may decide that a number only will be called to interview. In this respect, Tusla Recruit provide for the employment of a short listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert panel will examine the application forms against a predetermined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience on the application form.

- Any applicant who did not meet the eligibility criteria/ was not shortlisted will

be informed of that decision and the reason why.

- Any candidate invited to interview will be given more details regarding the interview or other additional assessment stages at a later date.

The selection process may involve additional assessments, for example:

- Short listing of candidates on the basis of the information contained in their application
 - Online and/or paper- based assessment/ tests/questionnaire(s)
 - A qualifying preliminary interview – competency based
 - Work sample/role play/ media exercise
 - A competency based interview which may include a presentation and any other tests or exercises that may be deemed appropriate. Applicants deemed eligible, will be notified of these additional stages if applicable and may be required to attend additional assessments and interview.
- Candidates who are successful at interview may be placed on a panel (Talent Pool) in order of merit.
 - We will offer the posts to the candidates with the highest scores on the panel (Talent Pool).
 - Weighting may take place in situations whereby 2 or more candidates are placed in the same position on a panel (Talent Pool). The candidate with the highest score in professional knowledge will be ranked highest.
 - If a candidate declines the post we will offer it to the next highest scoring candidate etc.
 - Tusla Recruit must be satisfied that it has a full and comprehensive suite of references which assures it that the applicant's past performance and behaviours are appropriate to the post. Tusla Recruit determines the merit, appropriateness and relevance of references. Tusla Recruit reserves the right to remove candidates from specific recruitment panels (Talent Pools) and retract job offers if satisfactory clearances (e.g. past /current employment references, security clearances) cannot be obtained or are unsatisfactory. All previous employers may be contacted for reference purposes. Please note Tusla Recruit may retract a job offer if sufficient satisfactory references cannot be obtained in a time frame congruent with service need. Tusla Recruit reserves the right to retract a job offer should the successful candidate be unable to fulfil the provisions /

criteria of the specific post in line with service need.

Please note:

Qualifications/eligibility may not be confirmed until the final stage of the process, therefore, those candidates who do not possess the essential requirements, on the date specified within the Job Specification/Candidate Information Pack, and proceed with their application are putting themselves to unnecessary effort/expense and will not be offered a position from this campaign.

Please note that, given the volume of applications, Tusla Recruit is not in a position to consider or offer advice on the qualifications/eligibility of individuals unless they come under consideration. The onus is on the candidate to ensure they fulfil the eligibility requirements set out above. Tusla Recruit reserves the right to deem an applicant ineligible at any stage if it is apparent that the candidate does not hold the required eligibility/qualifications e.g. from the submitted application form. Candidates who come under consideration following the final selection stage will be required to provide documentary evidence of their eligibility, including qualifications.

Candidates who are unable to show that they hold the required qualifications may be withdrawn from the campaign at any stage.

An invitation to tests, interview or any element of the selection process is not acceptance of eligibility.

4. Acceptance / Declination of a Job Offer

The time lines and panel (Talent Pool) management rules (i.e. how posts are offered) for each individual post will be included in the email communication sent to you for each individual post which arises and is relevant to your order of merit on the panel (Talent Pool).

5. Campaign Time Scales

The Closing date for this position is as stated in the Job Specification.

It is anticipated that interviews will be scheduled on the dates as specified in the Job Specification. Therefore we advise that you note these dates in your diary now as due to the limited availability of the interview board it is unlikely that an alternative interview date and time can be offered. Interviews will be held in person only, therefore candidates must be available to present for interview.

6. Security Clearance

Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries (e.g. UK, USA etc) are the responsibility of the candidate. It is a process which can take an amount of time. Therefore if you are interested in pursuing a career with Tusla we would strongly advise that you commence seeking international security clearances now.

All applicants will need to apply for a vetting disclosure from the National Vetting Bureau.

If you have resided in countries outside of the Republic of Ireland and Northern Ireland for a period of 6 months or more, it will be mandatory for you to furnish this department with a Police Clearance Certificate from those countries stating that you have no convictions recorded against you while residing there. You will need to provide a separate Police Clearance Certificate for each country you have resided in. Clearance must be dated after the date you left the country/countries.

Note: Candidates who studied outside of Ireland e.g. in the UK, please pay particular attention to this. You will require UK disclosure to cover the entire period you were in the UK. Clearance must be dated after you left the UK.
